

AICPA Professional Liability Insurance Program

The AICPA Professional Liability Insurance Program strives to assure the availability of affordable, high quality insurance products and superior customer service for local and regional CPA firms nationwide. Our program is strategically aligned with the insurance industry's top provider to meet the ever-changing needs of CPAs and deliver a full-service, best-in-class professional liability insurance program. The program is underwritten by Continental Casualty Company, one of the CNA insurance companies and the largest underwriter of professional liability insurance for accountants, servicing the accounting professional for over 40 years.

The AICPA Professional Liability Insurance Program stands behind our product portfolio. Our first-class insurance offerings accommodate the unique services CPAs provide today, and our service is personal, responsive, and dedicated to meeting member expectations. Our rates, based solely on the claims experience of CPAs in public practice, are affordable and actuarially sound.
